

Bonus 3 - The 6-Figure Funnel Blueprint Library

Bonus 3 - The 6-Figure Funnel Blueprint Library

20 funnel blueprints- 75 page maps - built in order inside FunnelHero AI

Value: \$697

How to use: Find the blueprint for your offer type. Each page shows the exact sections to include and a **Generate** command to build it in FunnelHero AI. Build the pages **in order**, top to bottom. Swap [brackets] for your details.

Index: 1) Lead-Magnet - 2) Tripwire - 3) Long-Form Sales - 4) VSL - 5) Live Webinar - 6) Evergreen Webinar - 7) Free+Shipping Book - 8) Ecommerce Product - 9) High-Ticket Application - 10) 5-Day Challenge - 11) Quiz - 12) Coaching/Consulting - 13) Membership - 14) Local Business Lead - 15) Webinar Replay - 16) Survey/Segmentation - 17) Product Launch - 18) Affiliate Bridge/Review - 19) Newsletter/Community - 20) Bonus-Stack.

1. Lead-Magnet (Opt-in) Funnel - *goal: capture emails*

Pages: Opt-in -> Thank-You/Bridge -> (email sequence)

- **Opt-in page:** benefit headline, subhead, 3 bullets, email form, 1 testimonial, privacy line. "Build an opt-in page for [lead magnet]: headline about [result], 3 bullets, email form, one testimonial, privacy line."

- **Thank-You/Bridge page:** confirmation, deliver the magnet, soft pitch to [offer]. "Create a thank-you page that delivers [magnet] and pre-sells [offer] with a CTA."

2. Tripwire Funnel - *goal: turn leads into buyers*

Pages: Opt-in -> Sales (low-ticket) -> Order (+bump) -> Upsell -> Thank-You

- **Opt-in:** "Opt-in page for [lead magnet] with email form + 3 bullets."
- **Tripwire sales:** problem, offer, value, price [\$low], guarantee. "Sales section for a [\$low] tripwire [product] with value stack and guarantee."
- **Order page (+bump):** summary, form, order bump [add-on]. "Order page with summary, form, trust badges, and an order bump for [add-on] at [\$price]."
- **Upsell:** "One-click upsell page for [add-on] with yes/no buttons."
- **Thank-You:** "Thank-you page delivering everything + next step."

3. Long-Form Sales Funnel - *goal: direct sales*

Pages: Sales -> Order (+bump) -> Upsell -> Downsell -> Thank-You

- **Sales page:** hero (problem->promise), problem, solution, story, benefits, proof, offer/value stack, guarantee, FAQ, close. "Write a full long-form sales page for [product] to [audience] with all standard sections."
- **Order (+bump):** "Order page + bump [add-on]."
- **Upsell:** "Upsell page for [OTO]."
- **Downsell:** "Downsell page with [lite] offer for decliners."
- **Thank-You:** "Thank-you + onboarding next steps."

4. VSL Funnel - *goal: sell with video*

Pages: VSL Sales -> Order -> Upsell -> Thank-You

- **VSL page:** video, buy-button reveal, bullets, testimonials, guarantee, FAQ. "VSL sales page for [offer]: video embed, delayed buy button, value stack, proof, FAQ." (Also: "Write the 12-18 min VSL script.")
- **Order / Upsell / Thank-You:** as in Funnel 3.

5. Live Webinar Funnel - *goal: sell via live training*

Pages: Registration -> Confirmation -> Live Room -> Offer -> Thank-You

- **Registration:** benefit headline, "you'll learn" 3 bullets, form, date/time. "Webinar registration page for [topic] with 3 'you'll learn' bullets + sign-up form."
- **Confirmation:** what-to-expect, add-to-calendar. "Confirmation page with add-to-calendar and what-to-expect."
- **Live room:** video embed + chat/CTA placeholder. "Live webinar page with video embed and a CTA that appears for the offer."
- **Offer page:** the pitch + bonuses + deadline. "Webinar offer page for [offer] with bonus stack and deadline."
- **Thank-You:** "Thank-you/delivery page."

6. Evergreen Webinar Funnel - *goal: automated webinar sales*

Pages: Registration -> Confirmation -> Replay/On-demand -> Offer -> Thank-You

- Same as #5 but "Make the webinar on-demand with a just-in-time schedule and a countdown to the offer deadline."

7. Free + Shipping Book Funnel - *goal: buyer leads + upsells*

Pages: Book Sales -> Order (+bump) -> Upsell -> Thank-You

- **Book sales:** book mockup, "free-just cover shipping", what's inside, testimonials. "Free+shipping book funnel sales page for [book]: mockup, what's inside, testimonials, shipping offer."
- **Order (+bump):** "Order page (shipping) + bump [audiobook/upgrade]."
- **Upsell:** "Upsell [course/coaching] page."
- **Thank-You:** "Thank-you + delivery."

8. Ecommerce Product Funnel - *goal: product sales*

Pages: Product -> Cart/Order (+bump) -> Upsell -> Thank-You

- **Product page:** gallery, benefits, specs, reviews, add-to-cart. "Ecommerce product page for [product]: image gallery, benefits, specs, reviews, add-to-cart."
- **Order (+bump):** "Checkout with order summary + bump [accessory]."
- **Upsell:** "Post-purchase upsell [related product]."
- **Thank-You:** "Order confirmation + tracking info."

9. High-Ticket Application Funnel - *goal: booked calls*

Pages: Value/VSL -> Application -> Booking -> Confirmation

- **Value page:** VSL or long-form, case studies, qualify. "High-ticket value page for [offer]: VSL, proof, who-it's-for, apply CTA."
- **Application:** qualifying questions form. "Application page with qualifying questions: [list]."
- **Booking:** calendar embed + reassurance. "Booking page with calendar embed and what-to-expect."
- **Confirmation:** "Confirmation page + prep instructions for the call."

10. 5-Day Challenge Funnel - *goal: engagement -> sale*

Pages: Registration -> Confirmation -> Daily (x5) -> Offer -> Thank-You (*daily pages share a template*)

- **Registration:** "Challenge registration page for [outcome] with what-you'll-achieve bullets + form."
- **Confirmation:** "Confirmation + join-the-group + Day-1 date."
- **Daily template:** "Daily lesson page template: video, today's task, comments/CTA."
- **Offer page (Day 5):** "Day-5 offer page for [product] with bonus stack + deadline."
- **Thank-You:** "Thank-you/delivery page."

11. Quiz Funnel - *goal: segmented leads -> offer*

Pages: Quiz Landing -> Questions -> Email Capture -> Results -> Offer

- **Landing:** "Quiz landing page: 'What's your [type]?' with start button."
- **Questions:** "5-question quiz with multiple-choice answers mapped to result buckets."
- **Email capture:** "Email-capture step before showing results."
- **Results:** "Personalized results page per bucket that recommends [offer]."
- **Offer:** "Offer/bonus page tailored to the result."

12. Coaching / Consulting Funnel - *goal: clients*

Pages: Opt-in/Value -> Application/Discovery -> Booking -> Thank-You

- "Coaching value page for [coach/niche]: story, results, who-it's-for, apply CTA."
- "Discovery/application form page." "Booking page." "Thank-you + prep."

13. Membership / Subscription Funnel - goal: recurring members

Pages: Sales -> Checkout -> Welcome/Members Landing

- "Membership sales page for [community/product]: benefits, what's inside, tiers, recurring pricing, guarantee."
- "Subscription checkout page." "Members welcome/landing page with getting-started."

14. Local Business Lead Funnel - goal: local leads/bookings

Pages: Landing -> Form/Booking -> Thank-You

- "Local-service landing page for [service] in [area]: hero, offer, benefits, testimonials, form, map/contact."
- "Booking/quote form page." "Thank-you + what-happens-next + call info."

15. Webinar Replay Funnel - goal: convert replay viewers

Pages: Replay -> Offer -> Thank-You

- "Replay page with the webinar video and an offer CTA that appears partway through."
- "Offer page with expiring bonus." "Thank-you/delivery."

16. Survey / Segmentation Funnel - goal: segment + route

Pages: Survey -> Email -> Segmented Offer

- "Survey page that asks [segmenting questions]." "Email capture." "Route each segment to a tailored offer page for [segment offers]."

17. Product Launch Funnel - goal: big launch

Pages: Pre-launch Opt-in -> Content (x3) -> Sales -> Order -> Thank-You

- "Pre-launch opt-in for [launch] waitlist." "3 pre-launch content pages (problem/proof/path) with email gates." "Cart-open sales page." "Order + bump." "Thank-you."

18. Affiliate Bridge / Review Funnel - goal: affiliate commissions

Pages: Bridge/Review -> Bonus -> (out to vendor)

- "Affiliate review page for [product]: honest review, pros/cons, who-it's-for, verdict, CTA + disclosure."
- "Bonus page showcasing my bonus stack with values, urgency, and how-to-claim."

19. Newsletter / Community Funnel - goal: subscribers

Pages: Subscribe -> Welcome/Confirmation

- "Newsletter subscribe page: what they get, frequency, social proof, email form."
- "Welcome/confirmation page with first-issue preview + share CTA."

20. Bonus-Stack Funnel - *goal: win the affiliate sale*

Pages: Bonus Page -> Delivery

- "High-converting bonus page: headline, bonus stack with \$ values, total value, urgency, how-to-claim steps, disclosure."
 - "Bonus delivery page that lists all download links."
-

Build-in-orderrules (for every blueprint)

1. Generate the **money page first**(sales/offer/opt-in) so everything points to it.
 2. Build supporting pages in flow order, linking each CTA to the next step.
 3. Add **one clear CTA per page** matching the funnel goal.
 4. Run a **mobile pass** and a **conversionreview** on each page (see Bonus 1, Combo D).
 5. Add tracking + disclosures before going live.
