

Bonus 7 - The AI Brain Selector

Bonus 7 - The AI Brain Selector

80 scenarios -> the right brain (Opus - Sonnet - GPT - Grok - DeepSeek) + the prompt tweak
Value: \$397

How to use: Find your page/niche/goal, switch FunnelHero AI to the recommended brain, and apply the **prompt tweak** for the best result. Match the brain to the job and the first output usually nails it.

The brains at a glance

- **Opus** - depth, nuance, persuasion, long-form, strategy.
 - **Sonnet** - speed, structure, reliable bulk builds + variations.
 - **GPT** - versatile all-rounder, great default.
 - **Grok** - bold, punchy, current, edgy hooks/CTAs.
 - **DeepSeek** - efficient, logical, structural/technical, budget-friendly.
-

A. By Page Type (1-20)

#	Scenario	Brain	Prompt tweak
1	Long-form sales page	Opus	"Write persuasively; vary sentence length; weave one story."
2	Opt-in / squeeze page	Sonnet	"Keep it tight: headline, 3 bullets, form. No fluff."
3	VSL script	Opus	"Use hook->story->mechanism->offer->close; conversational."
4	Order page	Sonnet	"Be concise; reduce friction; reassure near the button."
5	Upsell page	Grok	"Punchy, exciting, one-time-offer energy."
6	Downsell page	GPT	"Empathetic, helpful, value-focused."
7	Thank-you page	GPT	"Confirm + clear next step; warm tone."
8	Webinar registration	Sonnet	"3 'you'll learn' bullets + curiosity headline."
9	Bridge/pre-sell page	Opus	"Match my voice; pre-frame the offer subtly."
10	About/authority page	Opus	"Story-driven; build credibility without bragging."

11	Pricing page	Sonnet	"Clear 3-tier structure; highlight 'most popular.'"
12	FAQ page	GPT	"Answer plainly; handle objections in answers."
13	Case-study page	Opus	"Tell before->after with specifics and emotion."
14	Quiz results page	Sonnet	"Affirm the result; recommend the matching offer."
15	High-ticket application	Opus	"Qualify, build trust, invite rather than pressure."
16	Local landing page	Sonnet	"Local, specific, fast offer + clear contact."
17	Ecom product page	Sonnet	"Benefits + specs + reviews; scannable."
18	Challenge offer page	Grok	"Energetic, momentum-driven, urgency on the bonus."
19	Exit/special-offer page	Grok	"Pattern-interrupt + strong scarcity."
20	Members/welcome page	GPT	"Friendly onboarding; reduce overwhelm."

B. By Copy Task (21-40)

#	Scenario	Brain	Prompt tweak
21	Hero headlines (bold)	Grok	"Make them punchy and scroll-stopping; give 10."
22	Headlines (nuanced/benefit)	Opus	"Tie to deep desire; subtle, specific; give 5."
23	Subheadlines	GPT	"Support the headline; add one specific promise."
24	Benefit bullets	Sonnet	"Convert features->benefits; 6-8, parallel structure."
25	CTA button text	Grok	"Action-led, first-person, punchy; give 12."
26	Value stack	Opus	"Anchor against high value; make each item feel worth it."
27	Guarantee copy	GPT	"Reassuring, specific terms, risk-reversal."
28	Story section	Opus	"Vivid, emotional, relatable; clear lesson."
29	Objection handling	Opus	"Name the objection, empathize, reframe honestly."
30	Urgency/scarcity copy	Grok	"Create real urgency; no fake countdowns."
31	FAQ answers	GPT	"Clear, honest, objection-busting."

32	Comparison table	Sonnet	"Structured, fair, recommend the best fit."
33	Bullet variations (bulk)	Sonnet	"Generate 15 variations quickly."
34	One-line value prop	Opus	"Distill to one clear, compelling sentence."
35	Pattern-interrupt openers	Grok	"Bold first lines that stop the scroll; give 10."
36	Founder's letter	Opus	"Personal, sincere, persuasive."
37	Microcopy (buttons/forms)	DeepSeek	"Tiny, clear, friction-reducing."
38	Tone rewrite	GPT	"Rewrite in `[tone]`; keep meaning."
39	Trim/condense	DeepSeek	"Cut 30% without losing meaning."
40	A/B copy variations	Sonnet	"Give 3 distinct test variations."

C. By Niche (41-60)

#	Niche	Brain	Prompt tweak
41	Make money online	Opus	"Honest, anti-hype, simplicity + proof."
42	AI tools	Sonnet	"Clear benefits + demo-style proof."
43	High-ticket coaching	Opus	"Trust + transformation; qualify, don't pressure."
44	Health/fitness	Opus	"Empathetic, sustainable; add disclaimers."
45	Finance/investing	Opus	"Educational, careful; disclaimers, no guarantees."
46	Ecommerce	Sonnet	"Snappy benefits + social proof."
47	Local services	Sonnet	"Specific, local, fast offer."
48	B2B / SaaS	DeepSeek	"Logical, ROI-focused, clear features."
49	Relationships/dating	Opus	"Empathetic, respectful, hopeful."
50	Self-improvement	Opus	"System over motivation; identity shift."
51	Crypto/Web3	Opus	"Education-first, heavy risk disclaimers."
52	Marketing/agency	Grok	"Confident, results-driven, current."
53	Parenting	GPT	"Supportive, never shaming."
54	Survival/preparedness	GPT	"Calm, practical, no fear-mongering."

55	Pets	GPT	"Warm, positive, gentle."
56	Gaming	Grok	"Native, edgy, results/cool-factor."
57	Travel	Opus	"Inspirational + practical value."
58	Cooking/recipes	GPT	"Warm, appetizing, easy."
59	Spirituality	Opus	"Calm, meaningful, respectful."
60	Education/courses	Sonnet	"Clear outcomes + curriculum clarity."

D. By Goal (61-72)

#	Goal	Brain	Prompt tweak
61	Max persuasion	Opus	"Prioritize emotional + logical persuasion."
62	Speed/bulk output	Sonnet	"Generate fast, structured, ready-to-use."
63	Bold/viral angle	Grok	"Be bold and current; take a strong stance."
64	Reliable default	GPT	"Balanced, clear, dependable."
65	Technical/structured	DeepSeek	"Logical structure; precise."
66	Research/strategy	Opus	"Think step by step; give reasoning."
67	Variations for testing	Sonnet	"Produce N distinct variations."
68	Tighten/edit	DeepSeek	"Edit ruthlessly for clarity."
69	Story/emotion	Opus	"Lead with emotion and narrative."
70	Hooks/attention	Grok	"Front-load curiosity and punch."
71	Long-form depth	Opus	"Go deep; maintain coherence across length."
72	Budget/efficient run	DeepSeek	"Be efficient and concise."

E. By Image Goal (73-80)

#	Image goal	Generator	Prompt tweak
73	Photorealistic people	Luma	"Authentic, natural light, candid."
74	Product/mockups	Luma	"Clean background, studio lighting."
75	Lifestyle scenes	Luma	"Aspirational but realistic."
76	Bold concept/hero	Grok-X	"Creative, vibrant, space for text."

77	Illustrations	Grok-X	"Flat/isometric, brand colors."
78	Backgrounds/gradients	DeepAI	"Subtle, seamless, low contrast."
79	Icons/spot graphics	DeepAI	"Simple, single color, transparent."
80	Banners/textures	DeepAI	"Wide, on-brand, text-friendly."

The 10-second rule

Persuasion/long-form -> Opus. Fast builds/variations -> Sonnet. General -> GPT. Bold hooks -> Grok. Structured/efficient -> DeepSeek. Photoreal images -> Luma. Concept images -> Grok-X. Backgrounds/icons -> DeepAI.

80 scenarios mapped to the brain that wins them. Stop guessing which model to use - look it up, tweak, generate.
