

Bonus 8 - The Funnel Rescue Diagnostics

Bonus 8 - The Funnel Rescue Diagnostics

100 symptoms -> causes -> exact fix commands for FunnelHero AI

Value: \$497

How to use: Find your symptom, read the likely cause, and paste the fix into the FunnelHero AI chat. Work top-down - fix the biggest drop-off first.

A. Low Opt-ins (1-10)

1. **No one signs up** - *cause*: weak value/headline. "Rewrite the opt-in headline to lead with the #1 benefit of [lead magnet] and make it specific."
2. **Form ignored** - *too many fields*. "Reduce the opt-in form to email only."
3. **Unclear what they get** - *no preview*. "Add a 3-bullet 'what you'll get' list beside the form."
4. **No reason to act now** - *no incentive*. "Add a benefit-driven subhead and a privacy reassurance line."
5. **Form below the fold** - *placement*. "Move the opt-in form above the fold in the hero."
6. **Looks untrustworthy** - *no proof*. "Add one short testimonial and a trust line under the form."
7. **Weak button** - *generic CTA*. "Change the form button to 'Send me the [lead magnet]'."
8. **Distractions** - *too many links*. "Remove navigation and external links from the opt-in page."
9. **Mismatch with ad** - *message mismatch*. "Rewrite the headline to match this ad/promise: [paste]."
10. **No urgency** - *evergreen feel*. "Add a subtle urgency line about limited availability."

B. Weak CTA / Buttons (11-20)

11. **CTA unclear** - *vague text*. "Make the CTA action + benefit: 'Get [result] now'."
12. **Button blends in** - *low contrast*. "Make the CTA button a high-contrast [color]."
13. **Only one CTA** - *not repeated*. "Add the primary CTA after every major section."
14. **Scary commitment** - *no reassurance*. "Add 'no credit card required' microcopy under the CTA."
15. **CTA too small** - *size*. "Increase the CTA button size and add subtext."
16. **No CTA on scroll** - *visibility*. "Add a sticky CTA that stays visible on scroll."
17. **Passive text** - *weak verb*. "Rewrite the CTA in active, first-person voice."
18. **Multiple competing CTAs** - *split focus*. "Keep one primary CTA; demote the rest to text links."
19. **No urgency at CTA** - *flat*. "Add urgency microcopy beside the final CTA."
20. **CTA buried at bottom** - *placement*. "Add a CTA in the hero and mid-page too."

C. Flat / Weak Copy (21-32)

21. **Boring headline** - *feature-led*. "Rewrite the headline to be benefit-driven and specific."

- 22. **No emotional pull** - *all logic*. "Add an emotional story section about [transformation]."
- 23. **Feature dump** - *no benefits*. "Convert these features into benefit bullets: [paste]."
- 24. **Too long/rambling** - *verbose*. "Make this page 30% shorter and more scannable."
- 25. **No clear promise** - *vague*. "Tighten the value proposition into one clear sentence."
- 26. **Doesn't address pain** - *no problem section*. "Add a problem-agitation section about [pain]."
- 27. **No proof** - *unbelievable*. "Add a proof/results section and testimonials."
- 28. **Inconsistent voice** - *mixed tone*. "Make the tone consistent and [friendly/expert] throughout."
- 29. **Weak open** - *slow start*. "Rewrite the first 2 lines as a strong hook."
- 30. **No 'why now'** - *no urgency logic*. "Add a 'why now / cost of waiting' section."
- 31. **Jargon-heavy** - *too complex*. "Simplify the language to a 7th-grade reading level."
- 32. **No objection handling** - *doubts remain*. "Add a section answering the top 3 objections."

D. Mobile Breaks (33-42)

- 33. **Text overflows** - *fixed widths*. "Fix text overflow and make text responsive on mobile."
- 34. **Columns squished** - *no stacking*. "Stack multi-column sections vertically on mobile."
- 35. **Buttons hard to tap** - *small targets*. "Increase button size and tap targets on mobile."
- 36. **Hero text huge** - *font scaling*. "Reduce the hero headline font on small screens."
- 37. **Too much scrolling** - *padding*. "Reduce section padding on mobile."
- 38. **Form awkward** - *width*. "Make the form full-width on mobile."
- 39. **Images cut off** - *sizing*. "Make images scale to fit mobile screens."
- 40. **CTA too low** - *order*. "Move the CTA earlier in the mobile layout."
- 41. **Menu clutter** - *nav*. "Use a hamburger menu on mobile."
- 42. **General mobile mess** - *not optimized*. "Optimize the entire page for mobile and report changes."

E. Slow / Technical (43-52)

- 43. **Slow load** - *heavy images*. "Compress and lazy-load all images."
- 44. **Large page** - *bloat*. "Clean up and minify the page code."
- 45. **No SEO title** - *missing meta*. "Add an SEO title and meta description."
- 46. **No alt text** - *images*. "Add descriptive alt text to all images."
- 47. **Bad URL** - *slug*. "Set a clean, keyword-friendly URL slug."
- 48. **No heading structure** - *SEO/access*. "Structure headings as one H1 then H2/H3."
- 49. **No social preview** - *OG tags*. "Add Open Graph tags for social sharing."
- 50. **Broken links** - *flow*. "Check all CTAs/links and fix any broken ones."
- 51. **No tracking** - *analytics*. "Add tracking/analytics placeholders to the funnel."
- 52. **Duplicate content** - *SEO*. "Add a canonical tag and unique meta to this page."

F. Low Sales / Checkout (53-64)

- 53. **Traffic but no sales** - *offer/price clarity*. "Make the offer and price crystal clear with a value stack."
- 54. **Cart abandonment** - *friction/risk*. "Add a guarantee and trust badges to the order page."
- 55. **Price shock** - *no anchoring*. "Add a value stack anchoring price against [\$high]."

- 56. **No bonuses** - *thin offer*. "Add a bonus section with [#] bonuses and values."
- 57. **No upsell** - *low AOV*. "Add an upsell page for [add-on] after the order."
- 58. **No order bump** - *missed revenue*. "Add an order bump for [add-on] on the order page."
- 59. **Checkout too long** - *fields*. "Reduce the checkout to essential fields only."
- 60. **No reassurance at buy** - *fear*. "Add risk-reversal copy under the buy button."
- 61. **Unclear what happens next** - *anxiety*. "Add a 'what happens after you order' line."
- 62. **No FAQ** - *unanswered doubts*. "Add an FAQ section before the final CTA."
- 63. **No payment options** - *barrier*. "Add a payment-plan option to the pricing."
- 64. **Weak close** - *no final push*. "Add a strong closing section with urgency and recap."

G. Trust Issues (65-74)

- 65. **Looks generic/template** - *design*. "Make the design more premium and add brand colors."
- 66. **No social proof** - *credibility*. "Add testimonials, ratings, and a trust-badge row."
- 67. **No guarantee** - *risk*. "Add a [#]-day money-back guarantee box."
- 68. **No 'about'** - *anonymity*. "Add an about/authority section for [name/brand]."
- 69. **Stock-photo feel** - *authenticity*. "Replace generic images with authentic-style visuals."
- 70. **No disclosure** - *compliance*. "Add an affiliate disclosure and disclaimer to the footer."
- 71. **Hype-y claims** - *distrust*. "Soften exaggerated claims; make them honest and specific."
- 72. **No contact** - *legitimacy*. "Add a footer with contact, privacy, and terms links."
- 73. **Inconsistent branding** - *unprofessional*. "Apply consistent colors, fonts, and logo throughout."
- 74. **No results shown** - *vague*. "Add a results/case-study block with specifics."

H. Engagement / Flow (75-84)

- 75. **High bounce** - *weak above-fold*. "Strengthen the hero hook and clarify the promise."
- 76. **People don't scroll** - *no momentum*. "Add a curiosity gap and a 'keep reading' transition."
- 77. **Confusing flow** - *no logic*. "Reorder sections: problem -> solution -> proof -> offer."
- 78. **Dead-end pages** - *no next step*. "Add a clear next-step CTA to this page."
- 79. **No segmentation** - *one-size*. "Add a 'who it's for / not for' section."
- 80. **Too many choices** - *paralysis*. "Simplify to one primary offer and one CTA."
- 81. **No story** - *forgettable*. "Add a relatable story that mirrors the reader's journey."
- 82. **Weak transitions** - *choppy*. "Add smooth transition copy between sections."
- 83. **No emotional payoff** - *flat*. "Paint the 'after' vividly so they feel the result."
- 84. **Cluttered layout** - *overwhelm*. "Add white space and simplify the layout."

I. Email / Follow-up (85-92)

- 85. **Low opens** - *subject lines*. "Generate 10 stronger subject lines for this email."
- 86. **Low clicks** - *weak CTA*. "Add one clear CTA and a PS line to each email."
- 87. **No follow-up** - *missing sequence*. "Write a 5-email follow-up sequence for new opt-ins."
- 88. **Too salesy** - *no value*. "Rebalance the sequence to value-first, soft-sell."
- 89. **No abandon recovery** - *lost sales*. "Write a 3-email cart-abandon sequence."
- 90. **No onboarding** - *refunds*. "Write a post-purchase onboarding email."
- 91. **No re-engagement** - *dead list*. "Write a re-engagement email for inactive subscribers."
- 92. **No deadline push** - *weak close*. "Write a last-call email for [deadline]."

J. Final Polish (93-100)

- 93. **Headline/CTA mismatch** - *incoherent*. "Align the headline and CTA to the same promise."
 - 94. **Typos/grammar** - *sloppy*. "Proofread and fix grammar across the page."
 - 95. **Weak value prop** - *unclear*. "Restate the core value proposition in one line at the top."
 - 96. **No A/B plan** - *no testing*. "Generate 3 headline variations to A/B test."
 - 97. **Section feels weak** - *underperforming*. "Rewrite this section to be more compelling: [paste]."
 - 98. **Page feels incomplete** - *missing parts*. "List any standard sections this page is missing and add them."
 - 99. **Not sure what's wrong** - *needs audit*. "Do a full conversion audit and list the top 5 fixes in priority order."
 - 100. **Ready to launch?** - *final check*. "Run a pre-launch checklist: links, mobile, SEO, tracking, disclosures."
