The traffic/socialbuyer avatar (pre-filled)

- **Who:** creators, marketers, and small-biz owners struggling to get seen, grow, or drive clicks.
- **They want:** more views, followers, traffic, and ultimately clicks/sales.
- **They fear:** posting into the void, wasting time, "the algorithm hates me," inconsistency.
- **Already tried:** posting randomly, buying followers, giving up after low reach.
- **Their words:** "no one sees my stuff," "I don't have time to post," "I don't know what to post," "my reach is dead."
- **Buying triggers:** proof of growth, time savings (automation/scheduling), "post consistently without the grind."

Top angles for traffic/socialoffers (pre-built)

1. **Consistency without burnout:** "Stay consistent without living on your phone."
2. **Beat the algorithm:** "Get seen again - here's what actually works."
3. **Time-saver:** "A month of content in one afternoon."
4. **More clicks:** "Turn views into actual traffic and sales."
5. **Faceless/easy:** "Grow without showing your face or being an expert."
6. **Proof-driven:** show growth/reach numbers.
