

Affiliate Marketing Glossary & Quick-Reference

Product 40 - Affiliate Marketing Glossary & Quick-Reference

Niche: Affiliate Marketing

Format: Glossary + quick-reference cheat sheet

Perceived value: \$37

Jargon confuses beginners and slows everyone down. This handy reference defines the **essential affiliate marketing terms** in plain English and gives a one-page quick-start cheat sheet - a perfect "keep it handy" bonus.

What's inside

- This guide - how to use the reference + the quick-start cheat sheet
- glossary.md - 60+ terms defined in plain English

Quick-start cheat sheet (the 10-second version)

1. **Pick** a niche + an offer you believe in (Products 16, 20, 33).
2. **Get** your affiliate link from the network (WarriorPlus/JVZoo/LaunchpadJV).
3. **Build** a simple page + bonus stack (Products 2, 25).
4. **Capture** emails with a lead magnet (Products 6, 36).
5. **Drive** traffic from ONE channel (Products 9, 15, 18, 21, 26).
6. **Follow up** with email (Products 4, 37).
7. **Disclose** affiliate links (Product 28).
8. **Measure** and improve your weakest step (Product 24).
9. **Launch** + use urgency (Product 29).
10. **Scale** what works; systemize it (Product 30).

The 3 numbers every affiliate should know

- **EPC (Earnings Per Click):** avg \$ earned per click you send. Your north star.
- **Conversion rate:** % of clicks that buy.
- **EPL (Earnings Per Lead):** avg \$ earned per email subscriber over time.

Network quick-notes

Network	Known for
WarriorPlus	Digital "make money"/marketing product launches, instant commissions options
JVZoo	Digital products, launches, affiliate contests
LaunchpadJV	JV launch calendar + affiliate promotions

Always read each network's and vendor's current terms + payout rules.

How to use (for the affiliate)

1. Keep glossary.md handy when you hit an unfamiliar term.
2. Use the quick-start cheat sheet as your at-a-glance roadmap.
3. Reference the "3 numbers" when evaluating any campaign.

Affiliate Marketing Glossary (60+ Terms)

Plain-English definitions of the terms you'll actually run into.

Core terms

- **Affiliate:** you - the person promoting a product for a commission.
- **Vendor / Merchant:** the product owner who pays the commission.

- **Affiliate link / Hoplink:** your unique tracked link.
- **Commission:** your cut of a sale.
- **Recurring commission:** ongoing payments for subscription products.
- **Cookie:** data that tracks a buyer to you for a set window.
- **Cookie duration:** how long after a click you still get credit.
- **Conversion:** when a click turns into a sale (or lead).
- **Niche:** the specific market/topic you focus on.

Money & metrics

- **EPC (Earnings Per Click):** average earnings per click you send.
- **CR (Conversion Rate):** % of clicks that buy.
- **EPL (Earnings Per Lead):** avg earnings per email subscriber.
- **AOV (Average Order Value):** average total spend per buyer (incl. upsells).
- **CTR (Click-Through Rate):** % who click your link/content.
- **ROAS (Return On Ad Spend):** revenue / ad spend.
- **CPA (Cost Per Acquisition):** what it costs to get a sale/lead.
- **CPL (Cost Per Lead):** what it costs to get a subscriber.
- **Gravity (some networks):** popularity/sales indicator of an offer.
- **Refund / chargeback rate:** % of sales returned/disputed.

Offers & funnels

- **Front-end (FE):** the first/main product in a funnel.
- **Upsell (OTO - One-Time Offer):** an add-on offered after the FE.
- **Downsell:** a cheaper alternative if they decline the upsell.
- **Funnel:** the sequence of pages/offers a buyer moves through.
- **Squeeze / opt-in page:** a page built to capture emails.
- **Bridge page:** a page that pre-frames an offer before the sales page.
- **Sales page / VSL:** the page/video that sells the product.
- **Tripwire:** a low-priced offer to convert leads into buyers.
- **Order bump:** a small add-on offered on the checkout page.

Bonuses & promotion

- **Bonus / bonus stack:** extras you add to win the sale.
- **Bonus page:** your page showcasing your bonus stack.
- **Swipe / swipe file:** ready-made copy you can adapt.
- **Launch:** a coordinated promotion around a product's release.
- **JV (Joint Venture):** partnering with the vendor/others to promote.
- **Leaderboard:** ranking of top affiliates in a launch (often with prizes).
- **Dime sale:** price rises as more units sell (creates urgency).
- **Open/close cart:** when an offer becomes available/unavailable.

Traffic & list

- **Organic traffic:** free traffic (SEO, social, video).
- **Paid traffic:** ads you pay for.
- **Retargeting:** ads shown to people who already visited.
- **Lead magnet:** free resource given in exchange for an email.
- **Autoresponder:** email tool that sends automated sequences.
- **Broadcast:** a one-off email to your list.
- **Segmentation:** grouping subscribers by interest/behavior.
- **Open rate / clickrate:** % who open / click your emails.
- **Deliverability:** whether your emails reach the inbox.
- **List:** your collection of email subscribers.

Content & SEO

- **Pillar content:** a core, comprehensive piece you repurpose.
- **Repurposing:** turning one piece into many formats.
- **Keyword:** the search term you target.
- **Buyer intent:** how close a searcher is to purchasing.
- **Backlink:** a link from another site to yours (helps SEO).
- **CTA (Call To Action):** the action you want them to take.
- **Above the fold:** what's visible before scrolling.

Compliance & misc

- **Disclosure:** stating you may earn a commission (required).
 - **FTC:** US agency whose guidelines require affiliate disclosure.
 - **Income disclaimer:** statement that results aren't guaranteed.
 - **PLR (Private Label Rights):** content you can edit/rebrand (like this vault).
 - **MRR/RR (Master/Resell Rights):** rights to resell a product.
 - **Affiliate manager:** the vendor's contact for affiliates.
 - **Net-30 / instant payout:** when/how you get paid.
 - **Cloaked link:** a tidy, branded version of your affiliate link.
 - **Split test (A/B test):** comparing two versions to see which wins.
 - **Evergreen:** content/funnels that work continuously over time.
