Done-for-you promo kit for language-learning offers. Avatar, angles, and copy **pre-filled** - add your [PRODUCT]/[LINK].

What's inside

- This file - avatar, angles, and recommended bonus stack
- swipes.md - emails, social posts, and bonus-page copy (language-niche specific)

The language-learner buyer avatar (pre-filled)

- **Who:** people who want to speak [language] for travel, work, family, a partner, or a dream - and have often stalled before.
- **They want:** to actually *speak* and understand, confidence, fluency, connection.
- **They fear:** wasting time, "I'm too old / bad at languages," forgetting it all, sounding silly.
- **Already tried:** apps they abandoned, school classes that didn't stick.
- **Their words:** "I've used [app] for months and still can't speak," "I'm not good at languages," "I freeze when I try to talk," "I want to be fluent."
- **Buying triggers:** speaking fast (not just vocab), a clear method, relatability, confidence, quick wins.

Top angles (pre-built)

1. **Speak from day one:** "Actually speak [language], not just memorize words."
2. **Fluency method:** "The method schools and apps miss."
3. **No talent needed:** "Anyone can learn - here's how."
4. **Confidence:** "Stop freezing - speak with confidence."
5. **Real-life use:** "Order, chat, connect - for travel/work/family."

Recommended bonus stack (on-theme)

Create language bonuses (use Product 1 prompts):

- A "Most-Used 100 Phrases" cheat sheet for [language]
- A "Daily 15-Minute Practice Plan"
- A "Conversation Starters" guide
- **#2 Bonus Page Kit** - deliver the stack

Language Learning Bundle - Swipes

Drop in [PRODUCT], [LANGUAGE], [LINK], [DEADLINE]. Encouraging tone.

Email sequence (5 emails)

Email 1 - "stillcan't speak" hook

Subject: Months of practice but still can't speak [LANGUAGE]?

Hey [FIRST NAME], here's the frustrating truth: most apps teach you to recognize words, not speak. That's why so many people stall. Over the next few days I'll show you a method built around actually speaking - plus the resource I recommend.

Email 2 - speak from day one

Subject: Speak [LANGUAGE] from day one

[PRODUCT] gets you speaking early instead of drilling endless vocab: [approach]. That's the difference. Take a look -> [LINK]

Email 3 - no talent needed

Subject: "I'm just not good at languages"

You don't need a gift - you need the right method. [PRODUCT] is built for people who thought they couldn't. Here's why it works -> [LINK]

Email 4 - confidence + bonuses

Subject: Stop freezing when you try to talk

The real unlock is confidence. If you grab [PRODUCT] through me, I'll include my 100 Most-Used Phrases cheat sheet, 15-Minute Daily Plan, and Conversation Starters -> [LINK]

Email 5 - last call

Subject: Closing [DEADLINE] (+ your phrase cheat sheet)

Last chance: [PRODUCT] + my language bonus kit. Imagine actually holding a conversation in [LANGUAGE] - it's closer than you think. -> [LINK]

Social posts

- "Used [app] for months and still can't speak [LANGUAGE]? Here's why (and the fix) "
- "Say this in [LANGUAGE]: [phrase] (save for your trip)"
- "You're not 'bad at languages.' You had the wrong method. Here's the right one "
- "Speak from day one, not month six. Resource in bio (+ free phrase pack)."
- "Freeze when you try to talk? This fixes that [LINK]"
