What's inside

- This file - avatar, angles, and recommended bonus stack
- swipes.md - emails, social posts, and bonus-page copy (photography-niche specific)

The photographybuyer avatar (pre-filled)

- **Who:** hobbyists who want better photos, phone shooters who want pro-looking shots, or aspiring photographers who want to earn from it.
- **They want:** stunning photos, to master their camera/phone, confidence, maybe a side income.
- **They fear:** wasting money on gear, "my photos look amateur," overwhelm with settings/editing.
- **Already tried:** auto mode, random YouTube tutorials, presets that didn't fit.
- **Their words:** "my photos look flat," "I don't understand my camera," "how do pros edit?", "can I make money with this?"
- **Buying triggers:** fast visible improvement, simplicity, before/after proof, monetization potential.

Top angles (pre-built)

1. **Pro photos fast:** "Take stunning photos - even on your phone."
2. **Master your camera:** "Finally understand [settings/editing]."
3. **Editing magic:** "The edit that makes photos pop."
4. **No expensive gear:** "It's the skill, not the gear."
5. **Turn it into income:** "Get paid for your photography."

Recommended bonus stack (on-theme)

Create photography bonuses (use Product 1 prompts):

- A "Manual Settings Cheat Sheet" (or "Phone Photo Settings")
- A "Composition Quick-Guide"
- A "Lightroom/Editing Starter Tips" guide
- **#2 Bonus Page Kit** - deliver the stack

Email sequence (5 emails)

Email 1 - "photoslook flat" hook

Subject: Why your photos look flat (it's fixable)

Hey [FIRST NAME], if your shots never look as good as what's in your head, it's almost never the camera - it's a few skills no one taught you. Over the next few days I'll show you how [PRODUCT] closes that gap fast.

Email 2 - pro photos fast

Subject: Stunning photos - even on your phone

You don't need a \$2,000 camera. [PRODUCT] shows you how to get pro-looking shots with what you have: [approach]. Take a look -> [LINK]

Email 3 - master settings/editing

Subject: Finally understand [settings/editing]

The moment manual settings and editing "click," everything changes. [PRODUCT] makes it simple -> [LINK]

Email 4 - skill not gear + bonuses

Subject: It's the skill, not the gear

Great photographers make cheap gear look amazing. If you grab [PRODUCT] through me,

I'll include my Settings Cheat Sheet, Composition Quick-Guide, and Editing Starter Tips -> [LINK]

Email 5 - last call

Subject: Closing [DEADLINE] (+ your cheat sheet)

Last chance: [PRODUCT] + my photography bonus kit. Your next photo could be your best yet. -> [LINK]

Social posts

- "Same scene, two photos - here's the skill that made the difference (before/after)"
- "Stop blaming your camera. It's the skill. Here's how to level up "
- "Stunning shots on just your phone Resource in bio (+ free settings cheat sheet)."
- "The edit that makes photos POP Here's how [LINK]"
- "Want to get *paid* for your photos? Start here "
