

VSL & Video Script Pack

Product 7 - VSL & Video Script Pack

Niche: Affiliate Marketing / Video

Format: 6 fill-in-the-blank video scripts + frameworks

Perceived value: \$77

Video sells. This pack gives buyers **6 ready-to-record scripts** - from a 30-second short to a full video sales letter - so they can promote any affiliate offer on YouTube, TikTok, Reels, or a sales page without staring at a blank doc.

What's inside

- This guide - the 6 scripts + the universal video selling framework
- scripts.md - the full word-for-word scripts

The universal video selling framework (HBPOC)

Every script in this pack follows the same proven flow:

1. **H - Hook** (first 3 seconds): stop the scroll / state the bold promise.
2. **B - Bridge**: agitate the problem, show you get it.
3. **P - Proof/Payoff**: teach or demo, prove it works.
4. **O - Offer**: introduce the product as the shortcut.
5. **C - CTA**: one clear next step (your link / bonus page).

Rule of thumb: the shorter the video, the faster you hit the hook and CTA.

Long-form earns the pitch; short-form front-loads it.

The 6 scripts(in scripts.md)

#	Script	Length	Platform
1	30-Second Hook Ad	0:30	TikTok / Reels / Shorts
2	60-Second "Tool Reveal"	1:00	Shorts / Stories
3	YouTube Review/Walkthrough	5-8 min	YouTube
4	"3 Mistakes" Authority Video	3-5 min	YouTube / FB
5	Webinar/Live Pitch Segment	10 min	Live / Zoom
6	Full VSL (Video Sales Letter)	12-20 min	Sales page

Recording tips (for the affiliate)

- Read the hook twice as energetically as feels natural.
- Add on-screen captions (most watch muted).
- One CTA per video - don't split attention.
- Put the link in the description, pinned comment, AND say it out loud.
- Disclose your affiliate relationship (it builds trust and stays compliant).

The 6 Video Scripts

Replace [PRODUCT], [BENEFIT], [PROBLEM], [RESULT], [LINK], [NICHE].
[Brackets in brackets] are stage directions.
