

The Affiliate Profit Checklist Pack

Product 5 - The Affiliate Profit Checklist Pack

Niche: Affiliate Marketing

Format: 5 printable checklists

Perceived value: \$37

Checklists are one of the highest-converting bonus types because they're *instant to consume *and* immediately useful. *This pack gives buyers *5 step-by-step checklists*** covering the full affiliate promo lifecycle - so nothing falls through the cracks on launch day.

What's inside

- checklists.md - all 5 checklists, ready to print or export.

The 5 checklists

1. **Pre-Promo Setup** - pick the right offer & set up tracking before you spend a minute promoting.
2. **Bonus Creation & Stack** - build a bonus stack that out-converts other affiliates.
3. **Launch-Day Execution** - the hour-by-hour run sheet for cart open.
4. **Traffic & Promotion** - where and how to drive clicks (free + paid).
5. **Post-Promo Optimization** - debrief, scale the winners, and build the asset list.

How to use (for the affiliate)

1. Open `checklists.md`.
2. Print it, or paste into Notion/Google Docs and check boxes digitally.
3. Run through the relevant list for each phase of your promotion.
4. Deliver to buyers as a printable PDF bonus.

Pairs perfectly with Product 2 (Bonus Page Kit) and Product 4 (Email Swipes) - the checklists tell you what to do; those products give you the assets.

The Affiliate Profit Checklist Pack

5 checklists covering the full promo lifecycle. Print or check off digitally.

Checklist 1 - Pre-Promo Setup

- ☐ Choose an offer that matches your audience's #1 problem
- ☐ Confirm the commission %, refund rate, and EPC (earnings per click)
- ☐ Read the offer's promo/spam rules and prize terms
- ☐ Request your affiliate link / get approved by the vendor
- ☐ Grab a sample (request a review copy if available)
- ☐ Set up link tracking (cloaked link + UTM tags)
- ☐ Note the cart open & close dates and price changes
- ☐ Check the vendor's swipe file & assets (but rewrite, don't copy)
- ☐ Decide your angle (what makes *your* promotion different)

Checklist 2 - Bonus Creation & Stack

- ☐ List the problems buyers face *right after* purchase
- ☐ Create or select 3-5 bonuses that solve those next problems
- ☐ Give each bonus a benefit-driven title and a dollar value
- ☐ Make sure total bonus value far exceeds the product price
- ☐ Build the bonus delivery method (download page / autoresponder tag)
- ☐ Create the bonus page (headline, stack, urgency, how-to-claim)
- ☐ Add an honest affiliate disclosure
- ☐ Test the buy -> deliver flow end to end
- ☐ Add a deadline to drive urgency

Checklist 3 - Launch-Day Execution

- ☐ Confirm cart is live and your link tracks correctly
- ☐ Send the "it's live" email at peak open time
- ☐ Post the launch announcement on all social channels
- ☐ Pin/feature the bonus page link (bio, story, pinned post)
- ☐ Reply to comments & DMs quickly (questions = warm buyers)
- ☐ Monitor your affiliate dashboard for clicks vs sales
- ☐ Send a midday follow-up if open rate was low
- ☐ Screenshot early results for social proof
- ☐ Watch for and fix any broken links

Checklist 4 - Traffic & Promotion

Free traffic

- ☐ Email your list (use the swipe sequence)
- ☐ Post value content leading to the offer (see content calendar)
- ☐ Answer relevant questions in communities/forums (where allowed)
- ☐ Publish a review/comparison post or video
- ☐ Repurpose one piece of content into 4+ formats

Paid traffic (optional)

- ☐ Set a daily budget and break-even target
- ☐ Run one ad angle at a time, then scale winners
- ☐ Retarget bonus-page visitors who didn't buy
- ☐ Track ROAS daily; kill losers fast

Checklist 5 - Post-Promo Optimization

- ☐ Record total clicks, sales, conversion rate, and EPC
- ☐ Note which email/subject line and which post drove the most sales
- ☐ Thank buyers and deliver bonuses promptly (reduces refunds)
- ☐ Send a "you missed it" / downsell email
- ☐ Ask buyers for a testimonial
- ☐ Save the best-performing assets to a swipe folder for reuse
- ☐ Add buyers to a segment for future relevant offers
- ☐ Write down 1 thing to improve next promo
- ☐ Decide the next offer to promote to this audience

Tip: keep these as living docs - every promo makes the next one sharper.
