

Affiliate Compliance & Disclosure Pack

Product 28 - Affiliate Compliance & Disclosure Pack

Niche: Affiliate Marketing

Format: Ready-to-use disclosure & disclaimer templates

Perceived value: \$47

Boring? Maybe. Essential? Absolutely. Improper disclosures can get accounts banned, offers pulled, and (in some regions) trigger penalties. This pack gives buyers **plug-and-play disclosure and disclaimer templates** so they can promote with confidence.

***Important:** This is educational, not legal advice. Rules vary by country and platform and change over time. For anything significant, consult a qualified professional and check the current FTC / ASA / local guidelines and each platform's and vendor's terms.*

What's inside

- This guide - what to disclose, where, and why
- templates.md - copy-paste disclosures for every channel

Why disclosure matters

- **Legal:** many regions (e.g., FTC in the US) require clear disclosure of paid/affiliate relationships.
- **Platform:** most networks and social platforms require it in their terms.
- **Trust:** honest disclosure actually *builds* trust (and conversions).

The 3 rules of good disclosure

1. **Clear & conspicuous:** plain language, easy to notice (not buried in tiny text).
2. **Close to the link:** near the recommendation/link, not only on a separate page.
3. **Before the click:** people should know before they act on it.

Where you need a disclosure

Channel	Where to put it
Blog/review	Top of the post + near each link

YouTube	Description (high up) + verbal mention + on-screen
Email	Near the link / in the email
Social posts	In the caption (#ad / "affiliate link"), not buried in tags
Stories/Reels	On-screen text + verbal
Bonus page	Footer + near CTA

Common mistakes to avoid

- Hiding the disclosure in a wall of hashtags.
- Only disclosing on a separate "disclosure page."
- Vague terms like "sp" or "collab" without context.
- Income/earnings guarantees ("you WILL make \$X").
- Fake scarcity, fake testimonials, fake screenshots.

How to use (for the affiliate)

1. Pick the templates for your channels (templates.md).
2. Place them clearly, near your links, before the click.
3. Add the income/results disclaimer wherever you mention outcomes.
4. Re-check current rules for your region/platforms periodically.

Disclosure & Disclaimer Templates

Copy, paste, and adapt. Replace [YOUR NAME] / [YOUR BRAND]. These are starting points, **not legal advice** - verify against current rules for your region and platforms.
