**Perceived value:** \$97

Done-for-you promo kit for crypto/Web3 **education and tools**. Avatar, angles, and copy **pre-filled** - add your [PRODUCT]/[LINK].

***Highest-compliance niche.** No price predictions, no "guaranteed profit," no "financial advice." Many ad platforms restrict crypto. Promote **education/tools** emphasize risk, and use strong disclaimers (Product 28). Only promote reputable offers. When in doubt, don't.*

### What's inside

- This file - avatar, angles, heavy compliance note, and recommended bonus stack
- [swipes.md](swipes.md) - emails, social posts, and bonus-page copy (compliant)

### The crypto/Web3 buyer avatar (pre-filled)

- **Who:** curious beginners and intermediate enthusiasts who want to understand crypto without getting scammed or overwhelmed.
- **They want:** to understand it, not miss out, make smart (not reckless) decisions.
- **They fear:** scams, losing money, complexity, FOMO-buying at the top.
- **Already tried:** confusing YouTube videos, maybe a bad trade.
- **Their words:** "I don't understand it," "is it too late?", "I don't want to get scammed," "where do I even start?"
- **Buying triggers:** clear education, risk-awareness, reputable sources, simplicity.

### Top angles (pre-built, responsible)

1. **Education-first:** "Understand crypto before you risk a dollar."
2. **Anti-scam:** "Avoid the mistakes that cost beginners everything."
3. **Simplicity:** "Crypto explained without the jargon."
4. **Risk-aware:** "Smart, careful, informed - not reckless."
5. **Beginner-safe:** "Start from zero, the right way."

## Recommended bonus stack (educational only)

Create on-theme educational bonuses (use Product 1 prompts, fact-check carefully):

- A "Crypto Safety & Scam-Avoidance Checklist"
- A "Beginner's Crypto Glossary"
- A "Crypto Risk-Management Worksheet"
- **#2 Bonus Page Kit** - deliver the stack

*Keep bonuses educational and risk-focused. Never imply guaranteed gains.*
