What's inside

- This file - avatar, angles, and recommended bonus stack
- swipes.md - emails, social posts, and bonus-page copy (pet-niche specific)

The pet-owner buyer avatar (pre-filled)

- **Who:** devoted pet owners (especially dog owners) who want a happy, well-behaved, healthy pet and treat them like family.

- **They want:** a well-behaved, healthy, happy pet; less stress; a stronger bond.

- **They fear:** their pet being unhappy/unhealthy, behavior problems, judgment, doing it "wrong."

- **Already tried:** random YouTube tips, conflicting advice, methods that didn't stick.

- **Their words:** "my dog won't stop [behavior]," "I've tried everything," "I just want them happy," "is it too late to train?"

- **Buying triggers:** love for their pet, relatability, gentle/positive methods, quick visible results.

Top angles (pre-built)

1. **Stop the problem behavior:** "End [barking/pulling/chewing] for good."
2. **Gentle/positive:** "Train with kindness, not force."
3. **Stronger bond:** "A better-behaved pet AND a closer relationship."
4. **Never too late:** "Works for puppies and older pets."
5. **Happy + healthy:** focus on the pet's wellbeing.

Recommended bonus stack (on-theme)

Create pet-owner bonuses (use Product 1 prompts, verify with reputable sources):

- A "Quick Commands Cheat Sheet"
- A "New Pet Checklist"
- A "Healthy Treats / Care Tips Guide"
- **#2 Bonus Page Kit** - deliver the stack
