What's inside

- This file - avatar, angles, and recommended bonus stack
- swipes.md - emails, social posts, and bonus-page copy (cooking-niche specific)

The cooking buyer avatar (pre-filled)

- **Who:** busy home cooks who want tasty, healthy, or easy meals without stress or endless planning.
- **They want:** quick/healthy/delicious meals, less "what's for dinner?" stress, variety, to feed their family well.
- **They fear:** boring repetitive meals, wasted food/money, complicated recipes, time pressure.
- **Already tried:** random recipes, meal-planning that fizzled, takeout guilt.
- **Their words:** "I'm out of dinner ideas," "I don't have time to cook," "I want to eat healthier," "my family is picky."
- **Buying triggers:** ease, time-saving, variety, healthy + tasty, family-friendly.

Top angles (pre-built)

1. **Solve "what's for dinner?":** "Never run out of meal ideas again."
2. **Quick & easy:** "Delicious meals in [X] minutes."
3. **Healthy + tasty:** "Eat healthier without sacrificing flavor."
4. **Save time/money:** "Plan once, shop smart, waste less."
5. **Family-friendly:** "Meals even picky eaters love."

Recommended bonus stack (on-theme)

Create cooking bonuses (use Product 1 prompts):

- A "7-Day Meal Plan + Grocery List"
- A "Quick Weeknight Recipes Cheat Sheet"
- A "Pantry Staples & Substitutions Guide"
- **#2 Bonus Page Kit** - deliver the stack
