## Product 17 - 200 Headlines & Hooks Swipe File

**Niche:** Affiliate Marketing / Copywriting

**Format:** 200 fill-in-the-blank headlines & hooks

**Perceived value:** \$47

The headline is 80% of your result - it decides whether anyone reads your email, clicks your ad, or watches your video. This swipe file gives buyers \*\*200 proven headline and hook templates\*\*, organized by use, that they can adapt in seconds.

### What's inside

- This guide - how to pick and adapt a headline
- [headlines.md](headlines.md) - all 200 swipes by category

### The headline picking rule

Match the headline to the **temperature** of your reader:

- **Cold** (don't know you): lead with curiosity or a bold benefit.
- **Warm** (on your list): lead with value or a specific result.
- **Hot** (ready to buy): lead with urgency, the offer, or social proof.

### The 4 ingredients of a high-converting headline

1. **Specificity**- "\$1,247 in 9 days" beats "make money."
2. **Self-interest** - what's in it for them.
3. **Curiosity**- an open loop they need closed.
4. **Believability**- don't overpromise; credibility converts.
